Property Description

Brand New Oceanview and Rainforest Vicew Home in Sustainable Coastal Community – 3.8 Acres of Private RainforestDiscover ultimate privacy and eco-conscious living in this brand-new totally off grid 2-bedroom, 2-bathroom home in the hills above Costa Rica’s stunning Pacific coast. Set on 3.8 lush acres, this property combines modern comforts with natural beauty, and there’s no HOA fee, allowing you to live sustainably with total freedom. The home has a solar system so there is no electric bill but should you desire to tap into municipal electricity you can do so. The home has a well for water also, making for a totally off grid home. However municipal water and electricity are available should you choose to tap into those resources. Property Highlights: Stunning Oceanview & Rainforest views! Wraparound Deck surrounding the entire house so you can enjoy wildlife, sunrises, sunsets, ocean and rainforest views from every angle.
