Property Description

For Sale: 124 Acres, Mixed-Use, Residential, Commercial and Tourism Development Potential Property in Santa Ana We present an exceptional mixed-use property located in a breathtaking mountainous area. This property spans across terraced land with five sections, offering stunning panoramic views. The terraces are distributed as follows: three terraces of approximately 2 hectares each, one of 4 hectares, and another of 3 hectares. Ideal for multifamily residential projects, the property features 95.5% developable land. Additionally, it is perfectly suited for country clubs, hotels, commercial, religious, and professional services, as well as private educational institutions and international organizations. With a 10% coverage allowance, equating to 47,963.12 m², the property offers a residential density of 60 inhabitants per hectare, allowing for up to 2,877 inhabitants in total. The maximum building height is 12 meters or 3 stories, with the possibility of higher structures, provided that the minimum setback of 20 meters is met, with an additional 10 meters required for each additional floor.
