Property Description

Two homes and four apartments make up this ideal rental investment property just minutes from Playa Tamarindo, one of Costa Rica's most active tourism hotspots. Rentals are in high demand and scarce supply in this area; at Cabinas Corazón the six different living spaces provide a perfect opportunity to generate income through short- and/or long-term rentals. With a spacious half acre lot, this estate features beautifully upgraded buildings, a serene pool and a charming rancho, all set within a lush tropical landscape. Current owners have decorated every space to create an artistic, vibrant oasis. The main house, a 3-bedroom Caribbean-style classic gem with a remodeled kitchen, offers wonderful forest views. Upgrades including enhanced interior lighting, a new and modern wifi-enabled AC units in the master and living room. The home has recently been painted inside and out; it has digital locks for added security.
