Property Description

Villa Toucan is a chic one-bedroom, approximately 850 sq ft home only 12 minutes from the beach at Playa Seco, 22 minutes from Marina Pez Vela in Quepos and 30 minutes from Manuel Antonio National Park. Located in a secure, gated community, this home is perfect for a couple looking to start an adventure lifestyle in Costa Rica. Away from it all, immersed in the tropical rain forest, there is peace and quiet, except for the exotic bird songs just outside your door. Although the home is small, it is luxurious. You will enjoy all the amenities of an equivalent luxury home in the same community. Swimming pool, wrap-around terrace, excellent internet, satellite TV, grid power, and comfortable living space with plenty of natural light beaming through the large windows and glass doors. The home has the privacy of having no other houses within sight, yet you have neighbors within a 5-minute walk. Explore the wonders of the rainforest walking down a beautiful private nature trail on the property.
