Property Description

Experience the Absolute Best Costa Rica has to offer! This Southern Pacific property is a wildlife bonanza. You will not be disappointed. Breathtaking vertical mountains are so close it feels as though you can reach out and touch them. Enjoy your morning coffee while watching the cascading clouds slowly drifting down the mountain sides like a huge wave while listening to the sounds of the nearby waterfalls. countless birds and monkeys playing in the trees. Birdwatcher? A list of the properties verified feathered visitors will be at the bottom of the page. You simply won't believe how abundant the birds are here! As well all 4 species of Costa Rican Monkeys call this valley their home. This is very rare and speaks volumes about the health and vibrance of the jungle in this unique and picturesque area. The property features two building plantels that offer an opportunity to build a home and casita, with one of the best views in the world! If building a 2 story, there is an option to see a western Ocean view as well.
