Property Description

Welcome to Cabo Velas #15 - a completely renovated, modern ground floor 3 bed, 3 bath condo located just 10 minutes from ten of Costa Rica's most beautiful beaches. Built-in 2016, this beautiful condo was completely renovated last year to modernize it. Every space in the apartment has been completely redone. It offers 1235 sq ft of air-conditioned space and an outdoor terrace, with a brand new palapa, to give you the outdoor living you are seeking here in the tropics, great for outdoor dining and relaxing in your own little tropical nook, among the palm and banana trees. The open floor plan offers a spacious feel with double-height ceilings in the living room. There are 2 bedrooms and 2 bathrooms on the main floor. Currently one of the downstairs bedrooms has a pull-out sofa with a TV and patio doors to the covered terrace. The kitchen has been completely remodeled with brand-new cabinets, quartz countertops, and brand-new appliances, including a gas range.
