Property Description

The mountain property in Costa Rica with a view of the sea is a true natural treasure that offers a unique combination of scenic beauty and development opportunities. Located amidst lush mountains and with panoramic ocean views, this property is the perfect place for those seeking a tranquil and picturesque environment. With a generous land extension, this mountain property offers ample possibilities for project development. One of the most attractive options would be the creation of an exclusive tourist resort. With its privileged location and breathtaking ocean views, this place could become a luxury destination for those seeking a unique vacation experience. The tourist resort could include a variety of amenities and services, such as luxurious boutique hotels with ocean-view rooms and suites. Guests could enjoy world-class facilities, such as infinity pools, spas, gourmet restaurants, and outdoor relaxation areas.
