Property Description

Alma de la Selva (Soul of the Jungle) is a unique property that encompasses Costa Rica's enthralling aura of wellness and abundance. Comprising 777 acres (314 hectares), this ranch and jungle property is located within the UNESCO Savegre Biosphere reserve. The current property owners have dedicated almost two decades of care and protection for the land, its wildlife and surrounding flora, safekeeping its role as a natural haven. Whoever enters Alma de la Selva is immediately immersed in its peaceful atmosphere and magical beauty. Meandering through the rainforest, a tree-lined driveway marks the way toward the main entrance, where breathtaking vistas of the Pacific Ocean and the Pacific mountainside wash over the scene. Within its expansive premises, Alma de la Selva hosts numerous waterfalls and creeks, a mile of the Savegre riverfront, and a plantation of thousands of teak trees, as well as extensive trails and inner roads that make it a pleasure to explore and fully dive into its vibrant ecosystem.
