Property Description

Gently rolling terrain with a few nice higher ridges, this perfectly located finca is yours for the taking! With 1085 acres of land to work with just outside of Quepos, this finca is perfectly located and provides an abundance of opportunities to own a very large piece of coastal farming. With this land being only 20km from the Quepos Airport puts this piece about 25 minutes by regional flight from San Jose International Airport giving our international clientele easy access to visit their production land. In Quepos you will find all that you need. From a brand new marina (Costa Rica's largest) to large hospitals, schools and even a Walmart if you want one! Within the finca you will find rivers with smaller cascades, access roads to allow transport of livestock or equipment, several small houses that allow the workers to live on site, two cattle corrals, power and water and as an added value of panoramic valley and ocean views.
