Property Description

Beautiful home #2 of the gated community "Nerea Cabo Blanco" is comprised by 5 bedrooms, 5 bathrooms and the most breathtaking down the coast ocean views from Malpais to Manzanillo bay. The gated community will have 5 ultra luxury 5-bedroom homes with year-round sunset views. The homes will be built to order in a term of 24 months from going under contract. The state of the art design of each home integrates nature and luxury, using materials that blend in with its surroundings and creating ample areas within the home for different ambiances. There are also different water features within the homes to reduce temperatures and create cross ventilation throughout the structure. The homes are perched in the hills of Malpais, only minutes to the fishermen village, the beautiful tide pools and surf breaks of the area. Only a short 15 minute drive away from the homes, is Santa Teresa and its year-round consistent beach break for surfers from all levels.
