Property Description

This property is one of its kind, it features a spectacular view of the entire Coyote Bay and the north pacific coast , from Santa Teresa to Garza Beach in an almost 360 degree panoramic view. Access to this almost 4 hectare farm is via a dirt road that connects from the main street to the highest point at 920 meters. The main platform, is almost 3400m2 and features panoramic views with a consistent sea breeze. Due to its size, multiple platforms and access points, this property is suitable for the development of a luxury estate or multiple homes.
