Property Description

Rare opportunity to purchase a large ridge line property in the private, gated community of Bosque Verde, Green Forest. If you would like to be a part of protecting the environment in Costa Rica, the developer reserved sixty percent of the 280 acres as protected wildlife reserve. The reserve area is exclusively for the enjoyment of property owners, including three waterfalls and hiking trails of varying levels of difficulty. Homesites averaging over an acre of land were designed to maximize mountain and ocean views and maintain privacy between properties.
