Property Description

Recently renovated, everything feels fresh in this 2 bedroom, 2 bathroom condo a block away from the beach. Located in a safe, gated community, everything is well maintained and you have access to a beautiful central swimming pool. The condo was remodeled by a Canadian interior designer to create a relaxing, contemporary, coastal aesthetic. It is spacious, private, and conveniently located on the third floor with an expansive private balcony. It is one of the few condos in the area where you look out towards a protected forest and won't have city noise, construction to contend with, or new developments blocking your view. A quiet peaceful oasis, steps away from the lively beach town of Jaco. Thoughtfully designed, this condo comes fully furnished and equipped with all the essentials to make this your home, or to rent it on airbnb as an income property. The condo has a spacious kitchen fully equipped for cooking, mid-century styled living room, interior dining area, 2 bedrooms, 2 full bathrooms and a washer dryer.
