Property Description

Located on a beautiful jungle perch in the area of Bahia Ballena, Casa de La Selva is an extraordinary example of tropical luxury. Overlooking the South Pacific Coast of Costa Rica south of Uvita, this iconic home represents the pinnacle of tropical living for the discerning buyer. Located at an elevation of 900 feet, it receives constant mountain and ocean breezes and has amazing unobstructed views of the Pacific Ocean and the famous Whales Tail of Marino Ballena National Park. The 6,000 square foot contemporary home has 7 air-conditioned bedrooms and 7 1/2 baths, and the owner has added hand-crafted furnishing from the woods of the surrounding Jungle and outfitting the home with all the modern amenities one could want in an exquisite showcase home. The home has recently added an additional bedroom and Gym. Through the steel sculptured doors, one enters into a foyer with access to the first-floor bedrooms.
