Upon your arrival you immediately appreciate the care that was put into the grounds, with beautiful tropical and flowering plants, which creates a an oasis of serenity to enjoy daily. The main owners home totals 1,291 sq. ft. (120 m2) with a spacious combined living and kitchen area. The two bedrooms are very generous, each with a closet and en suite bathroom. The main home was designed in such a way that if one wanted to maximize occupancy, one of the rooms could be rented to guests and the owners space would not be affected. Two of the casitas hold 431 sq. ft. (40 m2) of space, with a fully equipped kitchen and full bathroom. Each holds two queen beds and a living area with TV. The skylights in the space add a nice touch and brighten up the casitas with natural light.
