Property Description

If your two favorite things are the beaches and the mountains this is your best choice, just 10 minutes walking you will find the very secret beach La Colonia and right behind you the beautiful mountains of Uvita offering the best views. This magnificent property with a measure of 5039 square meters (1.25 acres) has all the potential you need, more than 4 building sites with capacity for a house with a nice pool and a relaxing patio. Located just 10 minutes from all public services, countless restaurants, tourist activities and shopping areas - all within a very short distance and with easy access. It is your moment to know the meaning of peace and happiness in this great destination, surrounded by jungle and facing the sea, the sound of birds and wild animals adorning your surroundings will make your heart melt. With an incredible location and favorable topography, you will have the ease of construction, in addition to having a road that connects with all the potential construction areas, green areas that will give you some cool shade and a breeze from the mountains.
