Property Description

Rediscover the art of living in harmony with nature while enjoying the finest comforts in this exquisite rainforest villa. Welcome to a world where tranquility meets luxury, and the boundless wonders of Costa Rica beckon you home. This is a nature oasis, hidden in the rainforest, located on a secluded plateau, the villa features breathtaking views of the lush jungle, and a peek at the Pacific ocean. The floor-to-ceiling panoramic glass doors and balcony looks out into the dense rainforest which contains mature trees up to 15-20m. This is truly a place to experience life in ways that heal body and soul, that awaken the senses and inspires new meaning. Rushing water, bird's songs, and the sounds of the forest team up with the jungle's natural colors and aromas creating an unforgettable sensory experience. Building materials have been carefully chosen to create a warm and quiet haven, with an abundance of natural light.
