Property Description

Imagine owning nine apartments strategically located near a dream the beach, close to one of the most visited national parks in Costa Rica, Manuel Antonio, and Marina, with the facilities of banks, hardware stores, supermarkets, schools, etc. This investment not only offers solid economic potential, but also the opportunity to provide guests with a unique experience that combines natural beauty and coastal luxury, making them extremely attractive to tourists and nature lovers. The beachside location and proximity to the Marina and National Park make these apartments ideal for vacation rentals. Tourists seek out places like this to enjoy coastal adventures. The nine apartments offer a variety of sizes and configurations, making them suitable for couples, families and groups. This broadens the customer base and revenue-generating capacity. In addition to the existing nine apartments, there is the potential to expand the property to take advantage of even more space and demand.
