Property Description

This captivating residence, inspired by the Balinese architectural style, offers an opulent retreat from the ordinary. It is an ideal place for unwinding with family and friends, as a seasonal creek runs alongside the property, filling the home with the soothing sounds of nature. The open floor plan showcases unique bamboo fixtures, providing spacious living areas for hosting gatherings. Wooden bridges gracefully connect the guest quarters and living spaces, creating the sensation of strolling through an enchanted forest. The serene pool is adorned with exquisite turquoise limestone and a cascading waterfall, enveloping you in a tropical paradise. Three of the four bedrooms feature a loft that sleeps two guests each. The master bedroom offers a private office. The property has its own artisan well. The cabinetry throughout the home is pure Guanacaste locally sourced wood. Nestled at the end of a private street, you'll find ample parking for up to six vehicles when you enter the premises.
