Property Description

This brand-new villa, located in the planned community of Villas Vista a la Montana, offers an exclusive lifestyle with stunning mountain and waterfall views that will take your breath away. The particular property is nicely bordered by pasture-land on two sides, and is beautifully landscaped with a variety of native tropical plants and several fruit trees. You will delight in the fresh mountain breezes as you lay by the pool, or while dining on the terrace. Fully air-conditioned, the 3 bedroom, 2 bathroom home while modest on the exterior is deceptively spacious inside, featuring an exceptional floorplan, gorgeous Costa Rican cedar cabinetry and top-quality custom furnishings throughout. The master suite has patio doors leading out to the terrace, a divine view of the mountain range, a walk-in closet and ensuite bathroom. The kitchen is very well-equipped with all that a great home cook requires, expansive quartz counters, and seating for four at the island.
