Property Description

This amazing building lot is 15 minutes from the beach. It is East of Bijual and los Suenos. You can see the whole Nicoya peninsula and Coast. It is about 1.5-2 hours from the Capital of Costa Rica and airport at San Jose. Highway 27 makes it an easy drive directly to the west coast. This region of Costa Rica is the only location that the mountains meet the Pacific Ocean. The 7 acre "mountaintop ocean view" land is purely a special place with unlimited potential. A true 360 degree view with green mountains, waterfalls, wide ocean views, terrific sunsets and much more. The water and electricity are already in place. Inside the gated community we have a series of waterfalls that residents can use. The famous Los Suenos Marriott Resort and Marina is located a short 15 minute scenic drive from the property. Los Suenos has one of the best marinas in Costa Rica and is a beautiful resort.
