Property Description

Beautiful big sized lot close to the beach in Guiones and all the new amenities coming into Esperanza. It's hard to a property with this size so close to the surf and different beaches, especially at this price point. This particular area in Esperanza is garnering a lot of traction with the new 'El Pueblo' opening and the upcoming commercial center a little further down the road. This almost 1/2 acre property is privately set back from the main road and part of a gated community. With the recent pavement it's a leisurely 3 minutes of all paved drive to the main Guiones Beach entrance and all the shops and restaurants there. Multiple building area's on site already and open for a whole realm of different lay-outs and opportunities. Electricity is on site and the property has access to a private well, if desired.
