Property Description

Welcome to Casa Beratna, a cozy jungle home in Valle Pura Vida that's all about good vibes and bringing people together. Unlike typical dark jungle houses, this one is full of light and space. Perched up above the street, Casa Beratna stands out with its cool blue walls and wooden details. It's designed to stay cool even when it's hot outside, thanks to clever airflow tricks. Step onto the tree-level terrace and soak in the jungle view – you might even spot some monkeys or colorful macaws. Inside, it's all about comfy vibes with neutral colors and natural materials like wood and leather. The layout is open and breezy, with the kitchen, breakfast bar, and lounge all blending together. And when it's time to rest, the two bedrooms are spacious and calming, perfect for unwinding after a busy day. Come experience the relaxed, friendly atmosphere of Casa Beratna – it's like a little slice of paradise in the jungle.
