## Property Description

Tucked away in the esteemed Reserva de Golf community of Hacienda Pinilla, this newly built masterpiece (completed in November 2022) exemplifies the height of luxury living. Occupying a generous half-acre lot next to a peaceful green space with a seasonal stream, this home offers exceptional privacy and serenity. The elevated building pad enhances drainage, while a charming covered outdoor dining area, inspired by the picturesque streets of Valencia, provides a perfect spot to enjoy al fresco meals with the delightful sight of deer visiting the nearby creek. For ultimate relaxation, indulge in the newly added sauna and cold plunge, or explore the potential for a separate casita with its own entrance, made possible by the spacious layout. Designed with both family comfort and rental potential in mind, this residence enjoys the added benefit of an additional half-acre of unbuildable green space, giving you exclusive access to over an acre of land.
