Property Description

This ocean-view, "Natural Modern" masterpiece has been designed by architect Benjamin Saxe. It captures and highlights the spectacular North and West views of Homesite 4E. The home features an open-plan kitchen/dining/living area with optimal positioning for expansive views. The orientation is designed to take advantage of prevailing winds and includes plenty of shaded areas. This home boasts four bedrooms and four and a half baths, one of the primary bedrooms offer a prime ocean view. The pool and decks serve as the centerpiece of this well-appointed tropical oasis, providing a social area with ample seating. The design embodies relaxed luxury living in paradise, seamlessly blending indoor and outdoor spaces. The spacious and inviting gourmet kitchen also enjoys the view. "Casa Mar del Paraiso" incorporates abundant natural light and ample space for relaxation with friends and family.
