Property Description

Residential Development Opportunity in Parrita, Puntarenas
Location: Parrita, Puntarenas, Costa Rica
Property Type: Residential Development Opportunity
Size: 483,685.9 square meters
Key Features and Amenities: Highway Frontage: 420 feet of prime highway frontage, offering excellent access and visibility.
Master Plan: Includes a master plan for a 170-lot residential subdivision, with the potential to expand up to 500 homes.
Special Selling Points: Strategic Location: Situated on the main highway between Jaco and Manuel Antonio, and also connected to major routes between Nicaragua and Panama.
Expansion Opportunity: An adjoining parcel of 32 hectares zoned for commercial use (shopping complex and gas station) is also available for further development, adding versatility to the project.
Asking Price: \$2,796,381.90 USD
This residential development opportunity provides an ideal location and scalability for a substantial housing project in an area of increasing demand.
