Property Description

This stunning multi-unit property is nestled in the heart of Santa Teresa, just a brief 6-minute drive from one of the town's premier surf spots. The property boasts three independent units. Two of these are guest studios, each featuring a fully equipped kitchen, a king-size bed, a cozy living area, and a private deck with a plunge pool offering breathtaking views of the jungle and ocean. The studios are mirror images of each other, each with floor-to-ceiling sliding glass doors that open completely, creating a seamless indoor-outdoor living experience. The third unit is a spacious 1-bedroom apartment, designed with a modern open-plan layout. It includes a fully equipped kitchen with a polished concrete island, perfect for entertaining larger groups or families. This unit also has an expansive living and dining area that opens onto a deck overlooking the lush greenery and ocean beyond. Like the studios, it has a private plunge pool and outdoor seating to enjoy the serene surroundings.
