Property Description

This custom-made Moroccan-themed two-bedroom, two-bath home is located in the beautiful hills of Delicias, just above Montezuma, and close to the world-class surfing beaches of Santa Teresa, Los Cedros, and Mal Pais. The home sits on just over one acre of lovely landscaped gardens. The grounds are flat and nice for strolling and picking fresh fruit off the trees. Upon entering the home there is a lovely front porch with lounge chairs perfect for reading books or wildlife watching! Two gorgeous custom handcrafted Moroccan style wooden doors lead you into the spacious kitchen and living area. On each side of the house are beautiful stained glass windows and when the sun shines through them they give a gorgeous array of colors. Walk through the painted mural that takes you to the first bedroom and bathroom. Continuing with the Moroccan theme, the bedroom downstairs has a dome feature and a built-in bench by the window.
